## LOGIN Y REGISTRO

## ADMINISTRACION DE USUARIOS

The screenshot shows the 'Users - Odoo' interface in a Mozilla Firefox browser. The address bar displays 'localhost:8070/web#action=68&model=res.users&view\_type=list&menu\_id=4'. The page title is 'Users - Odoo - Mozilla Firefox'. The interface includes a top navigation bar with 'Settings', 'Dashboard', 'Users & Companies', 'Translations', and 'General Settings'. Below this is a 'Dashboard / Users' section with 'Create' and 'Import' buttons. A search bar labeled 'Internal Users' and a 'Search...' field are present. A table lists users with columns for 'Name', 'Login', 'Language', and 'Latest connection'. The table contains two entries: 'Marc Demo' with login 'demo' and 'Mitchell Admin' with login 'admin'. The user 'Mitchell Admin' is highlighted in blue.

Name	Login	Language	Latest connection
Marc Demo	demo	English	
Mitchell Admin	admin	English	03/06/2020 08:20:58

## PERSONAS DESAPARECIDAS QUE HAN SIDO SUBIDAS CON SUS DATOS

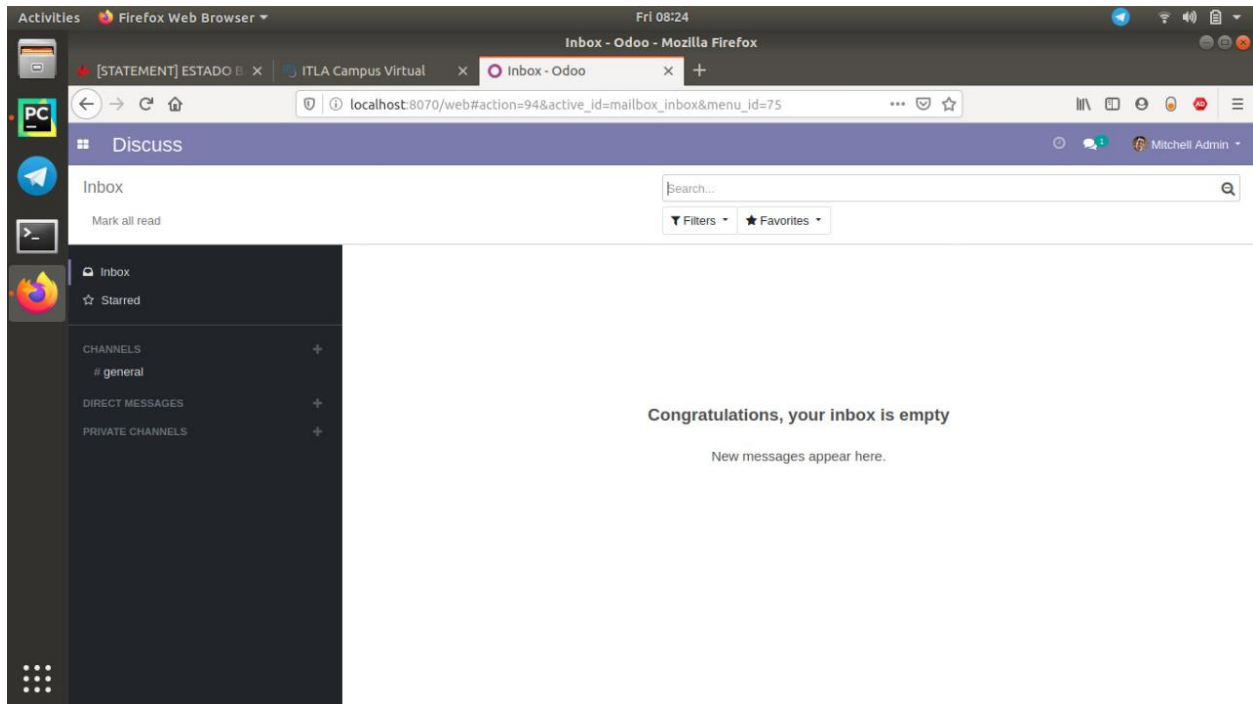

The screenshot shows the 'Contacts - Odoo' interface in a Mozilla Firefox browser. The address bar displays 'localhost:8070/web#action=244&model=res.partner&view\_type=kanban&menu\_id=...'. The page title is 'Contacts - Odoo - Mozilla Firefox'. The interface includes a top navigation bar with 'Contacts' and 'Configuration'. Below this is a 'Contacts' section with 'Create' and 'Import' buttons. A search bar and a 'Search...' field are present. The contacts are displayed in a Kanban view, showing a grid of contact cards. Each card includes a profile picture, a company logo, and contact information. The contacts are organized by company, with each company having a dedicated card. The companies listed are Azure Interior, Deco Addict, Gemini Furniture, Lumber Inc, and Ready Mat. The contacts are listed under each company card, showing their names, titles, and email addresses.

Company	Contact Name	Title	Email
Azure Interior	Azure Interior, Brandon Freeman	Creative Director at Azure Interior	brandon.freeman55@example.com
	Azure Interior, Colleen Diaz	Business Executive at Azure Interior	colleen.diaz83@example.com

## MENSAJERIA Y NOTIFICACIONES

Notificar al usuario si se ha encontrado al desaparecido, comunicación entre usuarios promoviendo el apoyo dentro de la comunidad.

## WIZARD PARA IMPORTAR EL ARCHIVO (Ejemplo)

El usuario subirá la foto a través de un wizard parecido a este y luego de que el módulo realice su lógica le mostrara una ventana mostrando la fotografía que subió y en caso de encontrar algún resultado mostrara la foto resultado junto con informacion de la comparación, lugar, hora, etc.

## CONFIGURACION

El administrador podrá gestionar la configuración de la seguridad, parámetros de configuración de las cámaras a través de una ventana parecida a esta.

The screenshot shows the Odoo General Settings configuration page. The top navigation bar includes links for Messaging, Sales, Project, Accounting, Purchases, Warehouse, Marketing, Human Resources, and More. The user is logged in as Administrator (victor). The left sidebar contains a menu with categories: Apps, Updates, Update Modules List, Apply Scheduled Upgra..., Configuration, Sales, Purchases, Warehouse, Project, Accounting, Human Resources, Marketing, Knowledge, Website Settings, General Settings (highlighted), and Companies. The main content area is titled 'General Settings' and includes a sub-header 'You will find more options in your company details: address for the header and footer, overdue payments texts, etc.' and a link 'Configure your company data'. The settings are organized into sections: Options (Manage multiple companies), Email (Configure outgoing email servers, Configure the Incoming email gateway, Alias Domain: localhost), Portal access (Activate the customer portal, Enable password reset from Login page, Allow external users to sign up, Template user for new users created through signup: Anand), Authentication (Use external authentication providers, sign in with google, facebook, ...), Import / Export (Allow users to import data from CSV files), Google Drive (Attach Google documents to any record), and Google Calendar (Allow the users to synchronize their calendar with Google Calendar). At the bottom, it says 'Powered by Odoo'.
